Dear Hawaii Resident:

QMark Research, the largest full service market research firm in Honolulu, is looking for Hawaii residents to be Secret Shoppers. To stay competitive in today's business market, local businesses need to know how they are meeting the needs of their customers and providing quality products and excellent service.

As a Secret Shopper you will have the opportunity to shop and rate stores and businesses around your island.

You will be asked to visit a variety of businesses, perform the task requested of you on your worksheet, for example; making a purchase, receiving a service or performing a return. Then after leaving the establishment you will fill out a short questionnaire rating the business based on your experience. And get paid for your honest opinions.

If you are interested in being a Secret Shopper just fill out the information sheet and return it to:
